*The Midwest's Premier Tribute to Heart*

From the release of their first album in 1976 to their 2013 induction into the Rock and Roll Hall of Fame, Heart has been one of the most successful bands in rock history. With over 30 million records sold and top 10 albums in each of four decades, the Wilson sisters continue to write and perform their own brand of acoustic and rock music.

Heartless brings the music of Heart to life, offering an evening of the Wilson sisters' classic sound – the driving beat, the burning guitar riffs, and the soaring, signature vocals. The band delivers a true concert experience, capturing the fire and fury of all your Heart favorites. Heartless has performed on theater and festival stages throughout the Midwest and has gained recognition for their true-to-the-original renditions.

The band was formed in 2008 by lead vocalist Lynn Lupo, who has loved Heart's music since the release of "Dreamboat Annie." She is joined on stage by the multi-talented Barb Bogosh-Battaglia and a band of award-winning players who have honed their musicianship over decades of live performance. Together, they deliver a performance that is both powerful and captivating.

Heartless' high energy show includes songs from the entire Heart discography, from the 70's to today – songs like "Magic Man", "What About Love" and "Crazy on You" – and is sure to excite both the classic rock lover and the true Heart fan. The show also includes songs Heart has covered from other classic rock icons including Led Zeppelin and The Who.

From the gentle acoustic sounds of "Dog and Butterfly" to the galloping riffs of "Barracuda", Heartless gives you an evening of music that will leave you wanting more. But seeing is believing. Come out and see the show.
